Christopher Ayala was the initial contact that I had.

Notice what he "promises"

Hi Jon,

It was a pleasure speaking with you today. Below are a few of the options we had gone over. Obviously, the quicker we can get this resolved, the faster you can put this behind you but do what is the most comfortable option for you and your business.

### **14 Month Program** (FundBox, PayPal, Forward, Funding Circle)

Total debt: \$183,000  
Total estimated program cost: \$137,500  
Total estimated savings: \$45,500  
Weekly payment: \$2,154.94

### **24 Month Program** (FundBox, PayPal, Forward)

Total debt: \$153,000  
Total estimated program cost: \$41,026  
Total estimated savings: \$11,915  
Weekly payment: \$1,295.42

Again, these quotes include everything. All attorney expenses, setting up the escrow account, negotiations and settlements with your lenders and disbursements to your lenders. There are no hidden fees and everything will be written out for you line by line in the agreement once we have chosen the best plan for you. I am excited to initiate negotiations on your behalf and am confident that our team of professionals can resolve this for you with maximum savings for your business.
